Hinged cover with key for modular items in different series emery grey Simon 27 Scudo

REF. **2705091-063**

BASIC INFORMATION

DESCRIPTION

hinged cover with key for modular articles of different series emery grey colour Simon 27 Scudo series, most of them prepared to protect any switch from anomalies and offer extra protection against children, being able to save any child accident caused by plugs. The socket of the socket base has a side grounding of the Schuko model and has an easy adaptation of the PVC frame available in. The hinged cover has a key to further ensure the security of everyone using the plug. The cover also thanks to its full cover design makes it not easy to access the plug as it is impact resistant. This is why the usefulness of the hinged cover is very optimal and therefore guarantees security against children, resistance to knocks, its installation is very simple and is made in emery grey colour, it is also suitable for long-term use.
