

PIR SENSOR STRIP LED 500 MM USB CHARGE

REF. IL7152103

BASIC INFORMATION

DESCRIPTION

Illuminate efficiently and automatically your cabinets, kitchen furniture, bookshelves, and passage areas with the 500 mm LED strip from Simon. Equipped with a twilight and motion sensor, this LED strip is USB rechargeable, offering a practical and comfortable experience by automatically turning on when motion is detected. Ideal for saving energy and preventing the light from staying on unnecessarily, this lighting solution is easily installed without tools thanks to its magnetic support.
