

High surface-mount box without frame for 1 element brown Simon 31

REF. 31753-32

BASIC INFORMATION

DESCRIPTION

The series Simon 31 included in its catalog a multitude of products of the highest quality. This is the high box for surface-mount installation and without the need of frame. The product is for a single element, its finish is a modern colour brown. From the brand, it is recommended to resorting to the installation of rockers and covers in the same finish of colour brown. The high box Simon is made of a material insulating thermoplastically, that provides maximum security to the product. Thanks to these components, the box is very variables, it can withstand temperatures of between -25 ° to + 50 degrees centigrade. Also, this type of materials, optimising operation, by betting on the security. Its dimensions are 86 x 86 millimetres, with a depth of 37 millimetres. Also, it can be installed both horizontally and vertically. Only has capacity for one element and maintenance requires the use of a soft cotton, very soft and completely dry cloth.
