2RCA connector female with trim plate black Simon K45

REF. **K101B/14**

BASIC INFORMATION

DESCRIPTION

This connector for two links for audio and video RCA with trim plate is one of the elements of the collection Simon K45. It is 1 / 2 element, has two modules and has a beautiful finished in black, for its installation only we'll need a screw and is suitable for both surface-mounted and also to be recessed. It is recommended not to use a wire greater than 30 meters. Like all Simon products, it is manufactured with the best materials and metal components with thermoplastic insulation, halogen-free. Thanks to this, we will guarantee that the flame spread and is not a low toxicity in case of smoke fires. Because the security of people is essential to Simon. Simon is the benchmark in its scope thanks to the use of products of first quality, offering the latest in innovation and, above all, always with the maximum security for your users.
