

Digital control plate with 1 trunking and notification sending/receiving with 3.5 mm jack input and output graphite Simon 27 Play

REF. 05032-38

BASIC INFORMATION

DESCRIPTION

This plate for digital commandment with 1 trunking with broadcast, message reception, 3.5 mm jack input and output is from the Simon 27 Play series, it comes in graphite colour, although it is available in 3 different finishes, the Simon 27 Play collection represents a breakthrough in the environment of the devices for the home, providing innovative and functional solutions. The product measures 45x45 mm and comes ready to be recessed. It can be installed easily and quickly in any space, as it resists extreme temperatures. However, the ideal is to install it in a place where the temperature varies between 5 and 40°, made of thermoplastic, the plate is presented in packs of one unit. It is advisable to select a frame that is the same colour as the chosen plate for a better effect. The piece includes several recordings with the symbol of a headset, external music source, listener reception function and broadcast function. For maintenance, simply clean the plate with a soft, dry cloth.
