Cover with safety device for German socket outlet emery grey Simon 27 Scudo

REF. **2705041-063**

BASIC INFORMATION

DESCRIPTION

cover with safety device for the socket-outlet in colour, emery grey Simon 27 Scudo, has a security system in which the rocker protects against knocks and forced manipulation of the switch. It has a compact design that also has an anti-theft system, is removable with compatible tools, the rocker is pressed by the frame and you can only remove the screw with the exact tool. To prevent improper use of the plug, maximum protection is offered with the cover that prevents it from reaching the indoor mechanism without a specific key for opening. It has the Top Impact system that makes it more resistant to impacts or vandalism. It can be installed anywhere in the home or in public places where protection may be needed for a plug compatible with the cover.
