

Plate for ambient music regulators with musical note symbol white Simon 82

REF. 82055-30

BASIC INFORMATION

DESCRIPTION

Plate for the ambient music regulators in white finish of colour, it includes a beautiful and modern engraving of a musical note. It is part of the Simon 82 series. These plates, dedicated to sound, are available in a total of six finishes. Although it can make combinations very varied, as a recommendation is to use the frame in the same tone as the baseboard of the plate that has been chosen. It can be installed in surface-mounted or recessed and measures 55 x 55 millimetres. Does not include the signaling function, and this is the individual version of the product, with a single element. The manufacturing materials of these backplanes Simon they bet by the thermoplastic of high quality, which inhibits the flame spread in case of fire management and which minimizes the toxicity if there is smoke. It also withstands temperatures very variables, ranging from -25 to + 50 degrees centigrade maximum.
