Base for surface mount wall box for 3 elements white Simon 27 Play

REF. **2700753-030**

BASIC INFORMATION

DESCRIPTION

Incredible, elegant frames, at the best price and, of course, the best variety. The Simon 27 Play series incorporates an evolutionary concept that allows us to take the initiative at any time when redecorating a space. To change the image of a room with this series is as simple as clicking on the frame with any of its interchangeable covers available in one of its 4 ranges: Metal, arctic, colour and extreme. But sometimes these covers and frames need some accessories or other parts. On this occasion, we present you this for surface-mounted wall box for 3 elements compatible with white Simon 27 Play products, which can perfectly combine white rockers and covers of colour, how do you clean this box? To use a soft cloth slightly moistened in soapy water and never use instead of normal soap an abrasive cleaner containing chlorine.
