

Interchangeable case for 1 half element American frame transparent Simon 27 Play

REF. 2700651-108

BASIC INFORMATION

DESCRIPTION

This interchangeable cover for American frame with 1 half a transparent element is another example of what the Simon 27 Play series offers: Change quickly and in the most comfortable way the design of the frames with these interchangeable sleeves is possible. The best design and new features come together in this collection to make life easier for people. And Simon can substantially improve your quality of life, its installation is very simple and can be done vertically or horizontally. This product is only suitable to be recessed, and how do you clean this case? To keep it in perfect condition for years, cleaners containing chlorine should be avoided as they can damage its surface. To use a soft cloth slightly moistened in soapy water, get here this interchangeable case for 1 half item at the best possible price. On Simon!
