

Intermediate piece for 1 element yellow Simon 27

REF. 27908-32

BASIC INFORMATION

DESCRIPTION

Intermediate piece for one element, yellow and colour of the Simon 27 series, this series stands out for efficiently combining a design of neutral lines, which combines with modern, simple and functional environments, with a note of colour, the collection is based on simplicity and functionality, with friendly lines and ease of use, but the colour part has an added feature, the compatibility with the mechanisms of the Simon 27 Play series. This compatibility appearance makes the combinations for the different elements even more spacious, offering an endless number of textures, finishes and colours to combine in any way you want, making you have at your disposal a wide range of varieties to choose the one that adapts to each space of your home.
