

Interchangeable case for 1 half element American frame comic Simon 27 Play

REF. 2700651-800

BASIC INFORMATION

DESCRIPTION

Interchangeable cover for American frame of 1 half element with comic book finish of the Simon 27 Play series. It is part of the ""Extreme"" range of this series, which offers different and fun designs. A total of 6 different finishes to give, with just one click, a touch of distinction and originality to the frame and turn each room into an original fantasy world. It is made of painted thermoplastic material and, apart from this ""Comic"" finish, we can find 5 more options: Vintage black silver, black & white, helium grey, multicoloured list and red & white. In terms of the rockers and covers to choose from, it is recommended that they are graphite colour. It has dimensions of 86 x 125 mm It is suitable for installation through flush-mounted. It can perform in both directions, vertically and horizontally.
