Frame, 2 half elements (1 element) with frame holder for American box white Simon 27 Play

REF. **2700612-030**

BASIC INFORMATION

DESCRIPTION

Frame of 2 half elements (1 element) finished in colour, with the white frame-holder for American box, it belongs to the Simon 27 Play series. Its dimensions are 123 x 85 mm and it is made of thermoset material with metal frame-holder. As far as its installation is concerned, it is carried out by means of flush-mounted. The direction of the same can be horizontal and / or vertical. For the appearance of the whole mechanism, it is recommended to combine with rockers and covers, white colour. It does not require an intermediate piece. For proper cleaning, follow these tips: Avoid the use of abrasive products containing chlorine and to use a soft cloth slightly dampened in soapy water. Simon 27 Play is a collection with infinite possibilities that breaks the clichés and gives much more freedom to choose.
