

Cover for wide matt white wire outlet Simon 100

REF. 10002051-230

BASIC INFORMATION

DESCRIPTION

A revolution that has radically changed the products that make up electrical systems is called Simon's 100 series, among its star products is the plate for cable outlet in white with quartz effect. With easy installation in a surface plinth and recessed in a universal box, this piece has been made with the best materials in PMMA with thermoplastic backing, guaranteeing its resistance to high humidity and temperature. remarkable for its duration. This plaque gives spaces a new dimension with a user-friendliness that is carried out in a simple and intuitive way, offering a world filled with experiences that you can select and adapt to your pace of life. As is the Simon 100 series, which offers its customers a range of solutions to activate their space.
