Telephone socket with 4 pins RJ11 white Simon 73 Loft

REF. **73480-60**

BASIC INFORMATION

DESCRIPTION

This is a telephone socket with 4 RJ11 pins of white colour with screw terminal connection, the piece is included in the Simon 73 Loft series, a collection that stands out for its commitment to the design. This individual socket is made up of metal elements with halogen-free insulation and thermoplastic trim, the quality of its materials, therefore, makes it a product that guarantees maximum security in the home, so that adapts perfectly to all spaces. One of its most outstanding qualities is its resistance to extreme temperatures, although the most is advisable to install the mechanism in environments between 5 and 40ºC for optimum conservation. The collection Simon 73 Loft is synonymous with adaptability and versatility, two features that can be found in each of its parts. This is a series of quick assembly, very safe and that does not detract from its appearance.
