Frame for 3 elements sand matte with aligner Simon 360

REF. **36000630-099**

BASIC INFORMATION

DESCRIPTION

Frame for 3 elements in sand finish with aligner from the Simon 360 series. The matte finish, in addition to being trendy and integrating into any environment, avoids light reflections and reduces maintenance by minimizing stains and fingerprints. Soft and quality touch that provides a feeling of a sophisticated product in all colors of the series. Urea is the main material and has high resistance and durability, ensuring a prolonged lifespan. Includes the aligner. The aligner, compatible with the S75 platform, provides visual continuity, uniformity in the openings, and flatness on the wall, offering a clean installation with high visual quality. It ensures the correct functioning of the push button system, something essential in multiple installations or with Clean Schuko.
