Covers for set of 2 push-buttons switches for mechanical blinds 10 A 250V~ gloss black Simon 100

REF. **10000331-138**

BASIC INFORMATION

DESCRIPTION

The Simon 100 matte white keys for blind switches combine minimalist design with everyday practicality. With up and down engravings, they provide intuitive and comfortable control. Designed for mechanisms with a safety interlock, they prevent simultaneous activation, offering greater protection and reliability. The matte finish delivers a discreet and modern look, ideal for residential and professional installations seeking clean and elegant style.
