Frame for 3 elements gloss white Simon 100

REF. **10000630-130**

BASIC INFORMATION

DESCRIPTION

Frame designed for the 3 elements in white finish of the Simon 100 series, essential if you are looking for comfort, it allows you to assemble 3 elements in the same frame, which allows you to manage each of your want to use it again more easily, having everything at hand and increasing the comfort sought by the Simon 100 collection, making interaction with the elements more intuitive, simple and comfortable for each of the customers who own the products. Its installation is very simple because it is ready to be recessed, which facilitates the installation process in your home. Socket manufactured using a thermoplastic base and PMMA frame. The element is finished in white quartz effect. It can be installed horizontally and vertically, choosing the one that best suits the space of the accommodation. Its dimensions to be taken into account for installation are 84x226 mm
