

Frame for 2 elements matt yellow without claws and with frame holder Simon 27 Neos

REF. 27772-61

BASIC INFORMATION

DESCRIPTION

The Simon 27 Neos series products have been created to be elements functional, but also decorative and eye-catching, perfect for renovating the decoration of a room. This frame for 2 elements without claws and with frame-holder Simon 27 Neos frame features a new and modern matt yellow finish, specially designed to satisfy the personal taste of each customer. This frame is therefore synonymous with style and sophistication, while at the same time that adds a touch of colour to the decoration. It is also suitable for 2 conventional modules or 4 narrow modules, manufactured in high quality thermoplastic material, this frame also incorporates a metal frame of the best performance frame-holder. It is also suitable for all types of installations, both flush-mounted as surface-mounted, and in horizontal or vertical layout. Its low price makes all the decorative and functional qualities of this product available to most customers.
