Frame for 1 element white Simon 75

REF. **75610-30**

BASIC INFORMATION

DESCRIPTION

White in colour frame for an element, it belongs to the Simon 75 series with a great variety of colors for any space in your home, it has dimensions of 88x88mm and can be coupled in the cavity 1 element. It is perfect for surfaces and also to be recessed. The Simon 75 series offers a design on the intermediate piece suitable for installation in vertical or horizontal position. If you want to go to the latest in electrical parts, the Simon 75 series is the perfect answer to the demands of the market. The possibility of including different colors in the same frame makes the set of mechanisms offered by the Simon 75 series are the most demanded, since their combinations are unlimited, always achieving the ideal set to be installed. The ease of cleaning the frame is one of the premises people use to choose the frame of the Simon 75 series, because with a soft cloth moistened in soapy water will be enough to keep it always as new.
