

**Interchangeable case for 2 half elements (1 element)
American frame pistachio Simon 27 Play**

REF. 2700652-065

BASIC INFORMATION

DESCRIPTION

It is an interchangeable pistachio colour is suitable for American frame of 2 half elements (1 element) that is in the Simon 27 Play series. The collection offers an interesting range of interchangeable sleeves, available in four different ranges. Change now the appearance of a room is lighter than ever, simply click on the frame to replace an interchangeable by another. This one in particular is manufactured in thermoplastic in compliance with the regulation. It measures 86x125 mm and it is suitable for flush mounting. Also, due to its features, it can be installed both vertically and horizontally. When it comes to combining this case with other rockers and covers, it is recommended that these are white colour for an optimal effect. The interchangeable sleeves also require a certain maintenance, it will be enough to use a soft cloth slightly dampened in soapy water to wipe them clean.
