Minimum frame 3 elements gloss white Simon 100

REF. **10001630-130**

BASIC INFORMATION

DESCRIPTION

The high-tech series offers the minimal frame of three elements in white finish with quartz effect and that you can find in the Simon 100 collection, enjoy an elegant appearance, with distinguished colors and subtle but perfect finishes that you admire every corner of your home in a different way, contemplating the beauty of simplicity in every element. The elements of the Simon 100 series have been created with one goal: to make its functionality so intuitive to the user that they can operate it with their eyes closed. Discover a new inner world in each element of the Simon 100 collection, with the result of years of research to achieve a more comfortable and secure installation of the grip on the innovation of our mechanisms. With the feeling of being the fastest thanks to a one-click terminal connection, which offers a 50% faster installation and a much more secure terminal connection.
