

Weekly digital timer watertight Simon

REF. AF711201

BASIC INFORMATION

DESCRIPTION

Automate your outdoor electrical devices with the Simon AF711201 weekly digital timer. Designed to withstand splashes and harsh weather conditions (IP44), it allows up to 10 ON/OFF programs per day with 1-minute intervals. Ideal for controlling lights, fountains, or other electrical appliances in gardens and terraces. Features include daylight saving time, presence simulation, and 12/24 h format. Easy to use thanks to its digital display and intuitive buttons.
