

3xRCA connectors female-female with incorporated plate and patch cords white Simon 400

REF. 40001193-030

BASIC INFORMATION

DESCRIPTION

Simon is characterized by creating solutions for all kinds of environments. The need of multimedia connectors is more and more so that Simon presents this connector 3 x RCA female-female with patch cords and built-in plate with a white finish of the series Simon 400. Thanks to this piece you can connect your multimedia equipment in a simple well-ordered way without the need of moving the television. These links have 3 inputs, the yellow for the video composed and the red and white for the audio thus achieving a stereo sound of high quality, a piece of great resistance to the temperature changes, since it can withstand between -5 ° C to + 60 ° Centigrade. For a correct maintenance we must avoid the use of abrasive cloths and / or abrasive cleaners containing chlorine. Simon, with more than 100 years of history, is a benchmark worldwide in the low voltage electrical equipment.
