Surface mount box for 1 element cold aluminium Simon 82 Detail

REF. **8200750-093**

BASIC INFORMATION

DESCRIPTION

The Simon 82 series also includes surface-mount boxes of this type, but even in this type of parts, you will also find a distinctive touch, something that is not usually the case. Sometimes, this type of parts are required for installation and we have many options that may interest you. Here you have this surface-mounted box for 1 element in cold aluminium and the Simon 82 Detail collection, this piece is manufactured in the best thermoplastic metallized material and is suitable for surface mounting or flush mounting in the wall. Its standard dimensions (99x99x99x52 mm) allow it to be adapted to the vast majority of installations. And what design could be better for you if you choose a rocker or cover to complement this box? We recommend using the cold aluminium finish for rockers and covers, although there are many more that can fit perfectly. Choose yours from our online catalogue.
