3RCA connector female with trim plate black Simon K45

REF. **K105B/14**

BASIC INFORMATION

DESCRIPTION

This connector is within the range of products Simon K45 and it is a 3RCA connector, female, which has included the trim plate. Its innovative black colour endow elegance to the place of the room where it is placed, its installation is very simple and is carried out by means of flush mounted or directly on the surface-mounted, allowing both options to the consumer tastes. It measures 22.5 millimetres by 45 millimetres. Its type of clamping is screwed and its operation is by insertion. The maximum wire length recommended for the connector is 20 meters. The product is manufactured with metal components with halogen-free thermoplastic insulation. This provides to the connector a character self-extinguishing, or the same thing, it provides the ability to propagate the spread in case of fire and reduces the toxicity of smoke, which translates into a high security.
