

VGA + mini-jack female-female connectors with incorporated plate and patch cords black Simon 400

REF. 40000191-038

BASIC INFORMATION

DESCRIPTION

VGA connector + mini jack in black colour, series Simon 400. It has patch cords and built-in plate. This connector has a maintenance quite simple because, to clean it, you will only need to wipe it with a soft, dry cloth, sn having to resorting to the cloths or abrasive cleaners with chlorine, as it could be damaged and does not reach operate correctly. It can be installed (both flush mounted and surface-mounted) in rooms with a temperature located between the -5 to 60 ° C, approximately, although it is able to withstand extreme temperatures. Simon 400 is a range of mechanisms that stands out, fundamentally by having 2 versions: With or without a cover cover, as the cover which allows is greater integration appearance to conceal the connections. In addition, this series we can highlight that offers innovative aesthetics, so that it is perfect and according to all types of spaces.
