

Double rocker for blinds mechanism with security latching ivory Simon 75

REF. 75028-31

BASIC INFORMATION

DESCRIPTION

One of the most important parts of a house or business is stamps. Thanks to them, those who are outside the rooms can indicate to those in the indoor their presence and be able to access them. To do this, we have the double Rocker for roller shutter mechanism with latching of security ivory of the Simon 75 series. This product includes hood lift / lower engraving and is available in six finishes, which allows you to choose the frame with the same baseboard colour as the selected rocker. Stands out for the quality of the thermoset materials with which it has been manufactured. Its cleaning can be done easily with a cloth dampened in water. Also, it is designed to withstand a temperature of 5 to 40° C. And your price? It has no competition in the sector. For this reason it is one of the most demanded stamps.
