Front kit for 3 elements with 2 German socket outlets and 1 single R/TV+SAT socket with 1 RJ45 connector matt white Simon 100

REF. **10020303-230**

BASIC INFORMATION

DESCRIPTION

Front kit for 3 elements with 2 Schuko plug bases and 1 single R-TV + SAT socket with 1 RJ45 connector. It is a matte white product that also serves as a subtle decorative element. It is a device that, thanks to its elegant finish, fits in all types of environments, occupies 3 elements, and is a standard product of Simon's 100 series.

Its sense of installation is both vertical and horizontal. If you buy this kit in the packaging you will find both the cover and the keys.

This Simon product is of the standard type and has been designed to be marketed in the EC. In its preparation all current regulations have been followed.

One of the great advantages is that it is easy to clean - it is enough to use a cloth with some soap and water and avoid products containing chlorine, to ensure its durability and its perfect appearance.

The device requires a temperature range of 5º C to 40º C for its operation and the temperature range for storage is between -25º C and 50° C.
