

Intermediate piece for 3 half elements blue Simon 27

REF. 27904-33

BASIC INFORMATION

DESCRIPTION

The intermediate piece for American frames of the Simon 27 series, with its blue finish allows you to give the mechanisms a touch of originality. Designed for three half elements in this version, with three modules, its model can be between 2 and 4 half elements according to need. Is expected to adapt to those models that you can recess, whether it is installed vertically and horizontally. Its manufacturing material is thermoplastic of high hardness and resistance to the heat. For its maintenance, it will only need a cloth slightly moistened in soapy water.
