

Frame for 3 elements matt salmon without claws and with frame holder Simon 27 Neos

REF. 27773-64

BASIC INFORMATION

DESCRIPTION

A collection in great demand today. The Simon 27 Neos series features elegant designs in two differentiated ranges: Glossy and matt. Am bas full of elegance, of desire to capture the attention. With regard to mate, we have eight different finishes like the one we present here: A frame for 3 elements in salmon mate without claws and with frame-holder. Its timeless shape is enhanced by the superb matt salmon finish. With respect to its installation two things: Firstly, it is valid to put on the surface-mounted and recess and, secondly, the position of the installation can be both vertical and horizontal. Also, it is really simple. Just look at the reference of the frame and rocker. Made of thermoplastic with metal frame-holder. When cleaning, it is important to be clear that a soft cloth is used. Clean with soap and never use chlorine cleaners.
