

Spotlight 740.01 Rail 3000 K Spot Black

REF. 74001038-283

BASIC INFORMATION

DESCRIPTION

The Spotlight 740.01 Rail 3000K Spot Black is a spotlight 740 of the range of Simon with 20W of power that is very interesting for all types of commercial premises or installations for retail. His high lighting efficiency (89) is between the most high for one spotlight of these features. AND takes more importance even when we know that sends to 1780 lumens for its 20W, one of the highest figures from the sector.

If we are talking about its appearance outdoor, this is a spotlight aspect stylish and professional thanks to its attractive black colour with textured paint. Its body is manufactured in aluminium of great quality to give the entire resistance that you need and it is complemented with a high thermal design.

In terms of the type of the light it emits can assert that it is a warm white light type due to the fact that it has 3000 K of colour temperature. It has Spot category optics, as well as the angle of opening the light beam does not exceed the 15 degrees. The luminaire has a service life of at least 30000 hours of lighting at a constant temperature, a number quite high which guarantees its durability over time.
