

Spotlight 740.01 Rail 3000 K Flood DALI White

REF. 74001330-383

BASIC INFORMATION

DESCRIPTION

A spotlight as the Spotlight 740.01 Rail 3000K Flood DALI White is perfect for installations establishments or spaces where the lighting plays a role key, as the restaurants.; this is so because it allows a general lighting, but also accent lighting, which makes it possible to organise elements in spaces open creating areas with light.

It is a spotlight, its installation is very simple, by being an installation of type rail, which simplifies installation in any type of space. On having 3000 K of colour temperature, the spotlight issues a warm white light type very pleasant and cosy. Not to mention also that the IP rating is 20, a number that makes clear the need to protect the spotlight from any source of water.

It is a spotlight that also stands out for its high lighting efficiency (89), something that is reveals itself in a emission of 1780 lumens for its 20W of power, so that it is undoubtedly a number for a significant spotlight of these features. Another very interesting quality is its type Flood optics, with an angle of opening the beam of light that reaches the 25 degrees.
