Blind cover black Simon 400

REF. **40000800-038**

BASIC INFORMATION

DESCRIPTION

Blind cover of the series Simon 400 in black colour. Simon 400 is a series of mechanisms in which we can highlight the possibility of installing both flush mounted and surface-mounted and also for offering innovative aesthetics, which means that these mechanisms you integrate, perfectly, in all types of climates. The blind cover can be installed, perfectly in rooms with a temperature located between the -5 to 60 ° C, although it can also be to install it in places with a higher temperature at 60 ° C, making it a cover, perfect for all types of climates. One of the things that stands out for the series Simon 400 is by having version without cover or with cover, an element where the main function is to allow a greater integration appearance to conceal the connections. The cleaning of this cover is very simple to perform as you just need to clean it with a soft and dry cloth, forgetting of use abrasive cloths and / or abrasive cleaners containing chlorine in its formula.
