

Frame for 1 element matt yellow without claws and with frame holder Simon 27 Neos

REF. 27771-61

BASIC INFORMATION

DESCRIPTION

In a matt yellow colour, without claws and with frame-holder, we find this frame for an element of the Simon 27 Neos series, it takes advantage of the Simon 27 Neos collection with the new generation of colour, with matt and glossy finishes, ideal for people with daring and casual spirit. The collection offers a new range of differentiated colours in eight matt and five glossy finishes. One of the best premises is its easy installation. Also, in terms of installation, it is suitable for surface mounting or flush mounting. To take into account the dimensions of 86x93 mm to carry out the installation. It is manufactured with thermoplastic materials, belonging to the "matt" range and is finished in a "matt yellow" colour. You will only need two unique references, the mechanism with rocker and frame facilitate its installation by reducing by half the time spent in installing the element. The orientation of the frame with double horizontal or vertical.
