Hinged cover for modular items in different series emery grey Simon 27 Scudo

REF. **2705092-063**

BASIC INFORMATION

DESCRIPTION

hinged cover for modular articles of the different series in emery grey included in the Simon 27 Scudo series. It is made of thermoplastic and available in three different finishes. The product comes ready to be recessed and offers a simple and agile installation. If you have any questions about how to proceed, you can consult the technical information associated with this article. The hinged cover has been designed according to the current regulation. It has the ability to withstand extreme temperatures (-25 to 50º C), although the ideal temperature range for optimal conservation is 5 to 40º. Cover acts as a protector for the different modular articles, although it also needs to be taken care. It is recommended to use a soft cloth slightly moistened in soapy water to clean the surface-mounted. Also, it is not advisable to use cloths and / or abrasive cleaners containing chlorine, as they could damage it.

FINISH

Emery grey
