

Blind cover white Simon 28

REF. 28800-30

BASIC INFORMATION

DESCRIPTION

The blind Cover white in colour of the series Simon 28 is the perfect element to protect the safest the mechanisms of electrical and electronic systems present in our private homes, commercial premises or the headquarters of companies and industries. This piece will bring us many advantages in the short, medium and long term, such as, for example, to avoid its deterioration by the daily use of cookies. This blind cover takes care of the detail and creates an ideal atmosphere This is a piece suitable for surface-mounted and recess with which we will increase the possibilities of decoration and design in the rooms of our homes or the departments of our companies. This blind cover has been manufactured with thermoset materials that prevent oxidation of the structure over time under the conditions of temperature and humidity high.
