

Pack 100 compact frames for 1 element and 100 separate centre frames white Simon 27 Play

REF. 2702610-030

BASIC INFORMATION

DESCRIPTION

Pack of 100 compact frames designed for 1 element and 100 separate frames with white finish. These products are suitable for surface and flush mounting and has been manufactured in line with the current regulation. They support extreme temperatures, although it is ideal to be installed in environments with a temperature range between 5 and 40°C. The manufacturing material of these mechanisms is thermo-stable plastic with metal frame holder. Has dimensions of 85x91 mm and can be installed vertically and horizontally, for its maintenance, it is recommended to use a soft textured cloth slightly moistened in soapy water. It is ideal to combine these frames with rockers and covers white colour. This pack is part of the Simon 27 Play series, a collection equipped with mechanisms different and original with which to enjoy decorating all kinds of spaces.
