

Product Code: OB1MSPR500

Description: OB1 Multi-Layer Paint &amp; Varnish Remover 500ml Aerosol

**Benefits**

- Gel structure. Very effective.
- The aerosol should be stored at room temperature before use.
- Application temperature 5 – 30°C.
- Spray pattern approximately 8 centimetre wide.

**Colour** Transparent**Application****Directions Of Use**

Shake before use. Before use, test the compatibility of the surface. Apply generously and allow to take effect. The time to take effect depends on the quality and age of the paint or lacquer to be removed. Then, remove with a tool appropriate for this purpose. On stubborn deposits, you need to repeat the process.
