

SKY Cloud LED Back-lit Panel 60x60cms with Border Edge Lighting (Pack of 2 units)

Combine the magic of natural SKY Light with Edge Lit Lighting, thereby, giving more brightness and creating a beautiful, relaxing, stunning, and realistic Artificial Sky effect.

Benefits:

- ▶ An improved mood from use of light that mimics natural light
- ▶ Alleviation of anxiety and stress due to the sense of outdoors.
- ▶ Catching the attention of visitors with a unique design feature
- ▶ By simulating daylight with the right LED Panels and using realistic, High resolution pictures, you will feel as if you are outside under a blue sky. The colour hue of the LED Panels match with that of real daylight to give the impression of looking through a window.
