

Product Code: GUARDCAMBLK2K

Description: 4MP WI-FI Security Camera with Twin Spots - Black

General Information

Dimensions (mm)	320 x 170 x 220
Lens size (mm)	2.8
Viewing Angle (°)	121
Effective Pixels	2K (2560x1440p)
PIR Angle (°)	270
PIR Range (m)	8
Maximum IR Distance (m)	10
Minimum Illumination (Lux)	0
Number of PIRs	2
Warranty (Years)	3

Supply & Power

Supply Voltage (V AC)	110 - 240
Power Consumption (W)	25

Construction

Materials	Aluminium & ABS
Finish	Black
Mounting	Surface Only

Transmission

Connection Type	RJ45
Network Connection Type	Ethernet Port and Wi-Fi
Wireless Frequency	2.4GHz & 5GHz (IEEE 802.11 b/g/n/ac)
Wireless Range - Open Field (m)	150

Recording

Recording Storage Device	Micro SD Card (128GB Max. Class 10)
Video Resolution	WQHD 1440p
Recording Format	MP4

Luminaire Output

Colour Temperature (K)	5000
Floodlight Output (Lm)	2600

Environment

Ingress Protection	IP65
Operating Temperature (°C)	-20 to +60

Features

- 1440p Image Sensor
- Adjustable Floodlights
- Dimmable Floodlights
- High Dynamic Range (HDR)
- Human Detection
- Comes with Mounting Bracket
- Comes Supplied with Mains Plug for Easy Installation
- 2 PIRs, Supporting Range and PIR Zones
- Full Duplex Audio

Supplied

- Floodlight/Camera, Mains cable, Hanging hook, User Guide, Mounting Bracket, Installation Accessories pack
