

# Digit 5

## Level 5 cut protection, PU palm with open finger design

Digit 5 provides cut protection to the non-exposed parts of the hand whilst enabling precise handling in applications necessitating open fingertip contact. The flexible PU coating to the palm and to two fingertips enables a secure grip in light oil and dry handling conditions.

### Features

- ▲ 3 open finger design
- ▲ Machine knitted liner constructed using HPPE fibres blended with Nylon and other synthetic yarns
- ▲ Flexible polyurethane palm
- ▲ Lightweight and breathable
- ▲ Sanitized antimicrobial finish provides extra freshness
- ▲ Elasticated wrist for a secure comfortable fit

### Certifications

CAT II

EN 388:2016 + A1:2018

4X43B
