

# FFTK Nebuliser

## Nebuliser for face fit test kit

Skytec Face Fit test kits enable a qualitative respiratory fit test for tight fitting FFP's and negative pressure half masks in line with the COSHH (Control of Substance Hazardous to Health) and the Approved Code of Practice (ACoP) regulations for the mandatory testing of respiratory protective equipment (RPE).

### Features

- ▲ Spare nebuliser for our range of Face Fit Test Kits
- ▲ Suitable for use with both bitter and sweet test solutions
