

# CSBC Boilersuit with Collar

## Lightweight protective boilersuit

Chemsol offers extremely dextrous and lightweight chemical protective garments. Manufactured from a soft touch, flexible 320gm2 EPVC/Polyester fabric to provide a durable, highly chemical resistant barrier, whilst providing extra comfort to the wearer.

### Features

- Soft, tactile feel improves wearer comfort
- Lighter and more flexible than traditional PVC garments
- Long-lasting, re-usable protection
- Excellent resistance against acids, alkalis and common industrial chemicals
- Stitched and high frequency welded seams for added protection
- Available in a wide range of sizes with special sizes available to order
- Bespoke options available to order on request
