

Alphachem X350

Limited life chemical coverall - type 3/4

The AlphaChem X350 is constructed from a unique non-woven composite, engineered to offer a high level of barrier to the permeation of organic, and inorganic chemicals and infective agents. The material provides a very high level of strength and durability.

Features

- Tough and durable
- Improved fit, enhanced freedom of movement with a re-enforced crotch
- Double zip system and grab tag to support with an emergency
- Easy to hold when wearing gloves
- Reinforced knee patches for extra durability when kneeling
- Stitched and fully taped seam stitching and elastication
- Elasticated wrists and ankles for secure fit
- Three piece hood construction for better fit
