MULTI PURPOSE

376R

Safety glove with enhanced grip & additional protective coating for the knuckles

A flexible & robust glove with a double-dipped nitrile coating that extends across the knuckles to provide enhanced resistance to liquids. The additional coating of nitrile on the palm allows greasy, wet & oily surfaces to be gripped with confidence.

Features

- Three-quarter coated nitrile with an additional coating of foam nitrile on the palm, fingertips & knuckles
- Seamless nylon/polyester knitted liner
- Protects the hand from oils, hydrocarbons, grease & abrasion
- Long lasting grip performance in wet & oily conditions
- High mechanical resistance to abrasion
- Anatomical hand shape design helps prevent hand fatigue
- Wrist protection

Certifications
