

Sapphire Nano Foam

Ultra-thin cut resistant glove with nitrile foam coating

As the thinnest option available on the market with a high cut resistance (level D), Sapphire Nano Foam offers an outstanding level of tactility to perform extreme precision tasks. With a nitrile foam coated palm, the second skin feeling has never been better to work in oily and wet conditions.

Features

- 21 gauge seamless liner offers unprecedented level of fingertip sensitivity for precision tasks
- Durable nitrile foam palm coating ensures good protection against oily and wet parts
- Reinforced thumb crotch enhances durability
- Touchscreen capabilities to allow usage with screen devices
- Designed for easy movement and continuous wear
- Breathable back of hand to reduce perspiration
- Seamless knit prevents irritation
- Elasticated wrist provides a secure fit
