

CS701

Nitrile coated ice grip glove with 35cm cuff

Offering high resistance to chemicals and excellent ice / water grip properties. For demanding tasks that require manual exertion and complete control over work materials in wet handling conditions.

Features

- ▲ A fine, supple glove (1.16mm thick)
- ▲ Nitrile protects the hand from oils, hydrocarbons, and grease penetration
- ▲ Rough finish provides a tactile feel, long-lasting grip, and control in wet conditions especially with ice
- ▲ Impermeable for working in damp environments
- ▲ Designed for easy movement and continuous wear
- ▲ Good abrasion resistance
- ▲ Seamless knit designed to prevent irritation
- ▲ Anatomically formed
