## Fully insulated glove with nitrile coating & foam nitrile grip

A durable double-dipped nitrile coated glove with an insulated liner. The foam nitrile provides excellent grip & the flat nitrile base provides oil resistance. Ideal for oil submersion tasks & the secure handling of wet & oily components in inclement weather.

Features

- Full double-engineered nitrile coatings protect against oils & ingress of liquids
- Fixed acrylic terry liner insulates & remains in place when removing the hand
- Highly flexible & resistant to abrasion & ripping
- Nitrile foam palm coating provides long lasting grip performance in wet & oily conditions
- Ergonomically designed to replicate the natural curvature of the hand, reducing fatigue
- Seamless for optimum comfort
- Seamless for optimum comfort

Certifications

CAT II	EN 388:2016 + A1:2018	EN 511:2006	EN 388: 2016
