

4552

Biodegradable, multi-purpose glove with sponge nitrile grip

Engineered with Showa's Eco Best Technology (EBT), this planet-friendly milestone in glove innovation is ideal for multi-use applications across a range of industries. The sponge nitrile coating provides good grip in oily and dry conditions.

Features

- ▲ Eco Best Technology within the coating and liner enable the glove to biodegrade once disposed of in landfill
- ▲ Lightweight, seamless 15 gauge liner
- ▲ Protects from oils, grease and abrasion
- ▲ Breathable back of glove
- ▲ Long lasting grip performance in dry and light oily conditions
- ▲ Manufactured using an ergonomically designed hand mould that replicates the natural curvature of the human hand
- ▲ Manufactured using an ergonomically designed hand mould that replicates the natural curvature of the human hand
