

4520V XF

The latest addition in the 4500 3-panel respirator range

The latest addition in the 4500 Series 3-Panel Respirator Range – the 4500 Extended Fit (XF). With enhanced strap elasticity and adaptability, the 4500-XF delivers a secure, comfortable fit for users requiring extended strap length – all while maintaining the trusted protection and performance of the original 4500 Series.

Features

- ▲ Consistent, trusted protection, features, and performance across the 4500 Series
- ▲ XF variants are specifically engineered to accommodate a wider user demographic
- ▲ Improved comfort and security for users requiring extended strap length
- ▲ Improved donning and doffing for larger or broader face profiles
- ▲ Premium disposable fold flat respirator for easy storage, donning and doffing
- ▲ Secure, metal-free harness system with colour coded textile elastic for easy identification of FFP level
- ▲ Soft, flexible and adjustable nose bridge for increased fit factor and comfort
- ▲ High flow exhalation valve for low breathing resistance, colour-coded for easy identification of FFP level

Certifications
